UPDATES

All Triumph Drive In... August 11, 2007 in front of the Gulf of Georgia Cannery 10am to 3pm. Larry has been working very hard to organize this group coming from Washington State and California. Great to see some American tourists who are all so rare lately. Larry is looking for our support in making this a successful event and the return of our American tourists!!! He has organized live music from 10am to 2pm and the group will be staying at the River Rock Casino Hotel. Larry is holding a silent auction Friday night and will be giving out goody bags to all participants at the River Rock. Any donations would be greatly appreciated. This group will spend the day in Steveston and we want them to spend their money, have a great time and return for more someday!!

Rob Hart: Radio Advertising if you are interested in a merchant group spot please contact us. We've been asking around and have received some quotes.
